

Golden Standard International Co., Ltd is a professional construction company, supplying fantasitic creative design with high quality construction materials. The construction material from us has a wide range, such as stone, ceramic, lighting, wall paper, wooden floor, sanitary ware. We have various nice furnitures such as sofa, bedroom set, sculpture, carpet, curtain, air conditioner and so on. We have finished numerous big projects with our effort in Kingdom of Saudi Arabia, specially in the hotels and hospitals. We would like to specify some of our projects to show how we manage our effort to do satisfactory projects.

Project 1. MERCURE HOTEL 2009

We supplied the construction materials including: stone, ceramic, wall paper, stainless steel handrail. And furniture including sofa, love seat, carpet, bedroom (whole set). The following pictures shows how the completed project look like.
